## HERE WITH THE SHADOWS

Steve Rasnic Tem

*“Far better to choose an absence  
than to have an absence forced upon you.”*

These stories by award-winning author Steve Rasnic Tem drag from the darkness ghosts that haunt us all. Between these covers lurk the spectres of grief, loss, and loneliness: a man discovers he is far from alone in his empty home, a forlorn wife is gifted with an unusual child, a contractor contemplates the sad message left by a grieving father, a blind woman discovers a spiritual manifestation at the edge of a forest, a spectral presence appears in a lonesome Colorado wheat field. *Here with the Shadows* is a volume of supernatural impressions and quiet vacancies, and in each story Tem reminds us that sometimes only a whisper separates us from the eternal.

### REVIEWS

*“The lyrical quality of Tem’s prose and his skill at finding  
the perfect metaphor for expressing the emotional states of his characters  
make these perfect gems of storytelling whose impact is like that of poetry.”*

– Locus

*“Tem’s storytelling is most powerful when he dramatizes loss . . .  
Loneliness is next to ghostliness, and the isolation and sorrow  
of the bereaved play a role in luring revenants to the door.”*

– Totally Dublin

*“Exquisite ghost stories and supernatural tales that leave liminal impressions  
and a faint, queer unease. These little literary soupcon’s are must-reads.”*
